NOTICE TO ALL INTERESTED APPLICANTS FOR HIRING AND PROMOTION
RE: AUGUST 22, 2022 PUBLICATION OF VACANT POSITIONS IN BOC

1. Please be informed that the BOC Management Information Systems and Technology Group is currently working on the intermittent outages being experienced by the users of our Online Application Portal (Recruitment Portal via www.customs.gov.ph), potentially due to network congestion (ie large volume of applications received/processed by the system).
2. In this regard, the deadline for submission of applications to positions included in the BOC Bulletin of Vacant Positions published on August 22, 2022 is hereby extended until further notice.
3. For information and guidance.
